Financing: We offer 6 month-no interest payment plans through Care Credit for more extensive treatment needs. More information is available at www.carecredit.com.

Dental Insurance: As a courtesy to you we are happy to file claims and accept assignment of benefits from traditional dental plans if arrangements have been established with our office. For patients with dental insurance who need treatment beyond routine preventive care, we can file a claim for pre-determination of benefits. Be advised that this does not guarantee of payment.
